Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

Yale/Cleveland Museum of Art. 1 Cloth(s), 2013. hard. Book Condition: New. While our romanticized image of Vincent van Gogh is that of a frenzied artist who improvised new paintings every day, this fails to take into account his deliberate practice of replicating his portraits and landscapes. In this convincingly argued book, a series of essays touches upon the many unresolved issues and controversies surrounding what Van Gogh called "repetitions," including their origins, development, and meaning in his art. Among the masterworks whose variations are compared in the 109 color and black and white reproductions here are *The Bedroom*, *L'Arlesienne*, *Portrait of Camille Roulin*, and *La Berceuse*. 188.
