Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Reference Book of Accounts for Manufacturing and Mercantile Companies This book is prepared as a guide in the installation of accounting systems and to aid the bookkeeper in acquiring an understanding of the functions of accounts, the preparation of financial statements, closing entries and the use of labor saving accounting forms. It takes up the order of arrangement of ledger accounts, furnishing lists of accounts from which may be selected those applicable to a specific business; furnishes examples of entries to open the books of account for individuals, partnerships and corporations; treats briefly of the principles of cost accounting; furnishes examples of financial statements showing the detailed steps in preparing them together with the necessary dosing entries; illustrates and describes in detail practical and labor saving accounting forms. It having been the aim to furnish this information in a condensed and practical manner, certain subjects have necessarily been only briefly treated.
