Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Adventures of Lily Sutton Hidden Covers Book Three This book is about a time when big city style and drama visited a small, back-in-the-woods town in Louisiana for a wake and a funeral of a long-lost resident of the little place who had come home for the last time. The towns one and only church, Plymouth Rock Baptist Church, is the opening setting of the story. It only takes a moment for the whole town to get caught up in the sudden style and glamour that arrived there along with the body of the deceased. Lily Sutton, with a full view from the choir, witnesses how her townspeople lose sight of who they are and whose they are for no other reason than to be a part of the sudden drama in the town. Without even trying, the town inherits a life-long joke and forever laughter when the towns clown finds himself entangled in a sudden relationship that leaves him as the butt of the towns jokes and laughter. The forgiving spirit of the people who live life in that small town is evident when the townspeople continue to look after each other even when the situation allows them to otherwise laugh and walk away. Linda Scott Enakevwe, the author, handles this story with a gentle hand as she sets the stage for the characters in the small town to come out and play within the safety net that she beautifully establishes in the place they call home.
