## Garden Flowers: Iron-On Transfer Patterns (Paperback)

By Claire Bryant

Dover Publications Inc., United States, 2000. Paperback. Book Condition: New. 280 x 208 mm. Language: English . Brand New Book. Here is an outstanding collection of forty-nine beautiful copyright-free floral patterns ready to provide the all-important starting point for your next needlework or craft project, whether you plan to embroider designs on a tablecloth, applique a cushion or decorate a chair back. Simply remove the specially treated transfer pattern from the book, place it exactly where you wish it to appear on you fabric or other medium, press it with a warm iron, and the design will appear neatly in place, ready for you to begin work! Varying in size from big, bold hollyhocks and tiger lilies to smaller, more delicate sprigs of spring snowflakes and periwinkles, and including such specialties as a spray of daffodils and a basket of mixed flowers, the designs may be applied to fabrics, wood and most flat surfaces that absorb ink. Step-by-step instructions show you how to transfer a design (which may be reused several times) quickly and easily onto linens, clothing, wall hangings, cushions, furniture and much more.
