Subterranean humanoids, existing since the dawn of man, arose from the belly of the planet. Humanity was unprepared. The undergrounders came with nails and claws and speed to kill people in the night, dragging bodies downward into dark tunnels teeming with rabid life. Civilization is now a ghost of yesterday and the remaining humans fight for survival. One thing for sure- a scientist mommy battling beasts better be handy with a scalpel. Elise Swanson is a widow and mother. She fights and prays that she can keep her little, broken family safe. She drives and drives, day after day, trying to escape a threat that seems inescapable. Her hope fades, food is scarce and she watches her eldest daughter attempt to soothe the younger babe. Then she meets Jason- a father mourning the loss of his son, masking his pain with bravado and charm. He's strong, despite his sadness, and love re-grows within him. Weeks pass and Jason's singular desire becomes the continued safety of Elise and her daughters. Bloody fights with beasts define the survival-road the companions...

Reviews

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better than never, though I am quite late in starting reading this one. Your lifestyle span will probably be converted once you complete reading this publication.
