How about doodle sack, pud, clitchy, or tittynope ? Disremembered Words is a lexicon (a book containing an alphabetical arrangement of odd words and their definitions), not your usual dictionary. It s also a fun look at some of the once-common words and phrases which have been left by the wayside over the years. The author, Antaeus, has compiled more than 600 of his favorite arcane (obscure) and seldom-used words and phrases for this book. Along with the definition, Antaeus gives an oft-times humorous, and sometimes risque example of how to use each word. So purchase this book, grab your kickie-wickie, (wife) and enjoy a fun filled journey into the land of forgotten words together.
