The Dakota Institute. Hardcover. Book Condition: New. Hardcover. 332 pages. Dimensions: 9.3in. x 6.3in. x 1.0in. This extraordinary new look at Lewis and Clark among the Nez Perce represents a breakthrough in Lewis and Clark studies. **Lewis and Clark Among the Nez Perce** is the first richly detailed exploration of the relationship between Mr. Jeffersons Corps of Discovery and a single tribe. James Rondas groundbreaking **Lewis and Clark Among the Indians** (1984) reversed the lens for the first time, to look broadly at the Lewis and Clark expedition through the Native American point of view. Nearly three decades later, Nez Perce historians Allen V. Pinkham and Steven Ross Evans have examined the journals of Lewis and Clark with painstaking care to tease out new insights from what Lewis and Clark wrote about their Nez Perce hosts. Pinkham and Evans evaluate both what Lewis and Clark understood and what they misunderstood in the Nez Perce (Nimiipuu) lifeway and political structure. More particularly they have re-examined the journals for clues about how the Nez Perce reacted to the bearded strangers. They have also gathered together and put into print for the first time the stands of a surprisingly rich Nez Perce oral tradition. **Lewis and Clark Among the Nez Perce** is a generous and careful re-evaluation of what we all thought we knew about Lewis and Clark west of the Bitterroot Mountains. It is also a template for a series of tribal histories of the Lewis and Clark expedition that will be inspired by this book. Incidents we thought we knew backward and forward suddenly take on a new light when the historical lens is reversed. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
