THE LAST MISSION

Infinity Publishing. Paperback. Book Condition: New. Paperback. 210 pages. Dimensions: 8.5in. x 5.5in. x 0.5in. Take a deep breath. Close your eyes. Imagine the one human being in the world you feel closest to; the one human being you feel most bonded to. It might be your mother or father. It could be your friend, lover or child. Who is it? Get a clear picture in your mind of that person. Now extend your imagination further. Stretch it to its limits. Pretend you are a constituent of a clandestine government alliance. Throughout your career you have accepted and without question carried out highly secretive missions. Often this has involved taking a person's life. You do the work for the greater good of mankind, regardless of how it scars your soul. You do it because you have a specialized set of skills, and a patriot's commitment to duty. Someone must do it and that someone is you! As usual you have been assigned and accepted a mission. But, this time, it is more complex. The mission is to assassinate that person you are closest to. Recall their picture. Now blast it to ruination in your mind. Could you assassinate that person? There is no easy answer. Duty says that you must. Love tells you to abort the task. What will you do? In THE LAST MISSION Darren Black has to make this choice. Part of an elite Marine Force Recon unit thirty years in the past, Darren Black's closest friend and fellow Marine, Mike Nolan is taken prisoner in South East Asia. Transformed over time, through a complex series of events involving torture, love, treachery and revenge, Nolan defects to the opposition. It is a logical progression, an understandable combination of seduction and circumstance, which create his crossing. He becomes an active...
