The mysterious appearance of a young girl-brutalized and half dead-has thrown the Crew into a heightened state of disquiet. Aurora and her evil pack of Damned have declared war, and William now wonders if, somehow, the seemingly-innocent girl may be employed in some way as a dangerous weapon in the coming battle. Once she has recovered from her injuries, the girl s lost memories present a new puzzle the Crew desperately needs to piece together if they are to gain any advantage over their cruel enemies. The revelation of an ancient relic may deliver the critical aid the Crew so direly requires. Its newly-discovered power enables William to delve into the strange girl s memories, but will the answers be too horrifying for the Crew to accept? Along with the newfound strength found in this lost treasure comes a treacherous caveat, and William must decide if all of the gains gifted to his family are worth the precarious risks it demands. After a gruesome discovery in the woods surrounding their home, the Crew are left with another rose among the thorns. But, true to form, Aurora comes to tear that flower away from the vine and claim an advantage for herself. During the family s valiant efforts to stop her, Brimmount is critically injured, leaving him with a handicap the rest of the family fear he may not be able to overcome. Caroline, William s wife, fears her own growing powers, brought to fruition by the duplicitous relic. One of the family members remains missing.and yet another is discovered by happenstance. Can the Crew turn disadvantage to advantage in time...
