Springer Publishing Company. Paperback. Book Condition: New. Paperback. 352 pages. Dimensions: 9.0in. x 6.1in. x 0.8in. As a physician who specializes in addiction medicine and drug withdrawal and written widely on them, I recommend Dr. Breggin's book to every health professional who deals with anyone taking psychiatric drugs. He gives highly useful information and reasons for stopping or avoiding them. It's an excellent one-stop source of information about psychiatric drug effects and withdrawal. Prescribers, therapists, patients, and families will benefit from this guidebook. Charles L. Because of psychiatry's reckless denial of this real and common problem, millions of people worldwide have not had the support and care they desperately need when attempting to come off psychiatric drugs, often been erroneously advised that these problems are confirmation of the existence of their supposed original so-called psychiatric illness. Dr. Breggin's book is therefore both timely and necessary. Terry Lynch, MD Physician and Psychotherapist Author...
