

Transactions of the Royal Society of Edinburgh Volume 15 (Paperback)

By Royal Society

Rarebooksclub.com, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1844 edition. Excerpt: .direction. 7. On the Vision of Cameos and Intaglios. The beautiful experiment of converting a cameo into an intaglio, and an intaglio into a cameo, by monocular vision, is well known. In 1825 I had occasion to investigate this subject, and in January 1826 I published an account of my observations, with an ample notice of the previous labours of other authors. Mr WHEATSTONE has ingeniously connected this optical fallacy with the union of dissimilar images on the retina, though he does not refer it to this union as its cause. After quoting my previous explanation of the illusion, he makes the following observations upon it. These considerations do not fully explain the phenomenon, for they suppose that the image must be inverted, and that the light must fall in a particular direction; but the conversion of relief will still take place when the object...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Otis Wisoky**

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
