

The Nose That Nobody Picked: The Unlikely Trail of Little Big Nose

By David Parkin

Troubador Publishing. Paperback. Book Condition: new. BRAND NEW, The Nose That Nobody Picked: The Unlikely Trail of Little Big Nose, David Parkin, One day, Christopher, a keen but unorthodox gardener, finds a living nose raised by slugs in his garden. In their hunt to find Little Big Nose a face, they encounter Doctor Skinner, an eccentric plastic surgeon, who has connections with nose's past and sinister intentions for his future. A surreal, snotty, rip-snorting yarn for all the family, The Nose That Nobody Picked is also thoughtful and poetic. A love of nature runs through the book and the story is peppered (not salted) with whimsical slug philosophy. Ultimately The Nose That Nobody Picked is about belonging and family, as both Little Big Nose and Christopher 'follow their trails' back to their missing fathers. Hilarious and thought-provoking, it will appeal to 5-11 year olds.

Reviews

Excellent electronic book and valuable one. Better than ever, though I am quite late in starting reading this one. I can very easily get a delight of studying a written book.
