

Between the Tides: In Search of Sea Turtles (Paperback)

By George Hughes

Jacana Media (Pty) Ltd, South Africa, 2013. Paperback. Book Condition: New. 234 x 155 mm. Language: English . Brand New Book. Much can be learned about the condition of the planet s environment by looking at sea turtles. They have existed for over 100 million years, and they travel throughout the world s oceans. Suddenly, however, they are struggling to survive - largely because of things people are doing to the planet s oceans and beaches. But what does this mean for the human species? It is possible that a world in which sea turtles cannot survive may soon become a world in which humans struggle to survive. If, however, we learn from our mistakes and begin changing our behaviour, there is still time to save sea turtles from extinction. In the process, we will be saving one of the earth s most mysterious and time-honoured creatures. We might just be saving ourselves too. South Africa has played an active role in this, protecting its own seaturtle populations and researching turtle populations in neighbouring countries. An early pioneer in conservation techniques, South Africa has assisted many countries and researchers, and the sea turtles of south-east Africa are now extensively protected,...
