SKELETAL REMAINS (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Skeleton-the supporting system for so many organisms. Rip off our skin, strip down the meat, and underneath we re all the same. So why has the skeleton frightened us for so many generations? The answer may lie inside these pages. From the iconic Grim Reaper to the dancing figurines celebrated in Mexico s Day of the Dead, human skeletons have personified death. Often portrayed as mindless creatures summoned to do unspeakable things by their master, the skeleton is brutal in its simplicity. Much like the zombie, their strength is in numbers and their immunity to attacks that would only harm their non-existent flesh. Join these brave authors daring enough to put nightmare to paper and unearth these Skeletal Remains. Jonah Buck Lorne Dixon Keith Gouveia Giovanna Lagana Lisamarie Lamb Matt Peters Suzanne Robb Armand Rosamilia Rebecca Snow.
