Parents who have lost a child know a pain unlike any other and are the strongest people she s ever met. They are to be admired because they have learned how to wake up every morning and continue on despite their loss. Even in death, the children continue to shine within you. You are their legacy because they ve deeply touched your soul. Tina has learned to reflect on the love and blessings that her daughter, Annie, brought into her life; for without her she would have never experienced the things that she experienced through Annie. Annie wanted to write this book to tell her story and Tina was only supposed to help her a little and support her a lot. Instead Tina is writing it and finishing what she started because she promised Annie that she would do that for her. Annie lived an amazing life!.
