Paperback. Book Condition: New. Paperback. 215 pages. The generation of Catholics who have come of age since Vatican II is different in many respects from Catholics of their parents generation. These younger Catholics have grown up in a world - and a Church - which has changed tremendously in a very short period of time. They were raised in a society which encouraged them to question what their parents accepted on faith. They were formed by a system of religious education which was in many ways struggling to keep up with rapid social change. John Paul II is a pope for these times. He recognizes that today's young people have many questions. He sees emerging in them a deep and sincere faith struggling for definition and for support. In response, he has designated a special, bi-annual event - World Youth Day, where he comes to youth to bring the truth and the love of the Roman Catholic Church. In this book, Mary Beth Bonacci joins with John Paul II in bringing young Catholics a clearer understanding of the Church and their role in it. She takes his quotes from the five World Youth Day events and unpacks them, explaining the truths of the faith clearly and concisely. This book is perfect for the Catholics of Generation X - and for Catholic youth of any age who wish to understand and to deepen their faith. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
