The Time Card series follows the adventures and fortunes of three friends Blue, Jesse, and Ellie as they use the contents of their newly found case to travel to diverse and exotic places. Their middle school studies come alive as they interact with historical figures of their country and the world, while at the same time struggling to not change the time-line or upset the course of history. Trying to hide the case from present day bullies, the friends try to stay one step ahead of their arch enemies Ryan Johnson and Jake Barker, not to mention sinister otherworld forces who are determined to find the time card. In this episode the pilot of the craft that jettisoned the mysterious case meets with a mysterious Admiral and is tasked with retrieving the case before evil forces find it. On earth, Blue, Jesse, and Ellie accidentally find themselves in 1776. After Jesse accidentally changes the course of history, the friends must race to save Thomas Jefferson before the power runs out on their chronometer. Join the kids as they explore new worlds, battle bullies, deal with family issues, and ultimately try to save the world.
