REVELATIONS (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.RESURRECTION saved the most vital clues - on MOTIVE - for last. REVELATIONS, the 4th in this series, does exactly the same. The last chapter, The Method and the Madness, is horrific, and terrifying. It is the author s attempt, together with Juror13, to provide a plausible scenario for what actually took place at 256 Bushwillow Crescent on Valentine s Day. This final part of the narrative has been assembled by contextualising all the evidence, testimonies and timelines. The author painstakingly provides over 50 references for each carefully considered set of variables. Together with America s Juror13, both writers build a very compelling scenario. But the REVELATIONS go even further than the final chapter. If the other chapter titles are anything to go by (14 Unanswered Questions , Glass Houses , Sex Kitten , Sultans of Swing , .) the 4th eBook ventures boldly where angels - and many South African journalists - fear to tread. And possibly for good reason. During the process of writing and researching REVELATIONS the author experienced strange computer instability and crashes. He believes his computer was consistently targeted and attacked over several weeks. The hacker (or hackers) deleted 5 folders of sensitive information before the author sent an email to [a possible source of the hacking] warning that further attacks, and every subsequent deleted folder, would result in massive coverage across his social media networks. This email was not acknowledged, nor responded to, except the attacks and hacking ceased immediately after this email. Is there something the public isn t supposed to see? Is the media hiding something? Is there massive multi-level collusion in play? And who is the mysterious Juror13?...
