Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

The Dental classes take up only a few hours daily, and unless registered I am debarred from doing any Dental work during my unoccupied time. The Scottish Branch Council having admitted my claim as to having been receiving instruction in Dental work previous to the passing of the Dental Acts, may I humbly crave from your Committee the same indulgence as to my being placed on the Register.
